PROTOCOL
THE APPLICATION OF THE AGREEMENT BETWEEN THE GOVERNMENT
THE RUSSIAN FEDERATION AND THE GOVERNMENT OF THE REPUBLIC OF
GEORGIA
On international road transport

(Tbilisi, February 3, 1994)

As regards the application of the Agreement between the Government of the Russian Federation and the Government of the Republic of Georgia on international road transport, signed in Tbilisi February 3, 1994, an agreement was reached on the following:

1. The term "carrier" means any natural or legal person which has been approved in accordance with the domestic law of the country in the implementation of international traffic.

The term "motor vehicle" means:

a) the transport of cargo - truck, trailer truck, road tractor or road tractor with semi-trailer;

b) the carriage of passengers - the bus, that is a motor vehicle designed to carry passengers and having at least 8 seats, excluding the driver, as well as a trailer to transport passengers' luggage.
The term "regular passenger transport" means the carriage of passengers carried motor vehicles of the Contracting Parties on a pre-agreed route, schedule and fare, where the initial and terminal points and stopping points.

The term "non-scheduled" means all other traffic.

The term "transit" means the transportation of passengers and goods through the territory of one Contracting Party in which the points of departure and destination are located outside the territory of that Contracting Party.

The term "health inspection" means health, veterinary and phytosanitary control.

The term "permit" means a document authorizing the entry and exit of the vehicle of one of the Contracting Parties to/from the territory of the other Contracting Party, or giving a right to transit through the territory of the other Contracting Party.

2. In terms of this Agreement, the competent authorities should be understood:
the Russian Party - Ministry of Transport of the Russian Federation;
From the Georgian side - Department of Road Transport of the Republic of Georgia.

3. The procedure provided for in Article 5 of this Agreement shall also apply to non-scheduled traffic carried by buses when these vehicles operate shuttle passengers.

4. The Contracting Parties have agreed to keep the existing procedure for the international carriage set previously concluded intergovernmental agreements with other countries of the Soviet Union, as well as the conventions, and other agreements in the field of road transport, to which were the Soviet Union.

The provisions of paragraph 1 of this paragraph shall not apply to agreements in the field of road transport, the Contracting Parties concluded with third countries at the time of signing this Agreement.

Each of the Contracting Parties at the conclusion of agreements with third countries in the field of road transport, changing the order imposed by the agreements referred to in paragraph 1 of this paragraph will notify the other Contracting Party.

5. Contracting Party on the basis of reciprocity, will coordinate work in the field:
science and technology policy in road transport;
drafting laws and regulations, standards, and regulations governing the operation of road transport.

This Protocol is an integral part of this Agreement.

Done at Tbilisi February 3, 1994, in duplicate, each in the Russian and Georgian languages, both texts being equally authentic.
